## ILEARN WEEKS AHEAD

For our grades  
(3-6 this week)

### Helpful hints:

- Remind your child these are important tests that remain on their school records.
- A good breakfast is a good start.
- Smartwatches should stay home or will be collected by the teacher.
- Send earbuds with your child.
- Remind your child to do his/her best, try hard (points are given for effort) and take his/her time (there's no prizes for finishing early).

## April Mission Lutheran World Relief

Founded by Lutherans in the United States at the end of World War II, grounded in Lutheran theology and building on decades of experience, Lutheran World Relief (LWR) tackles global poverty by helping people adapt to the challenges that threaten their livelihoods and well-being.

LWR provides aid in emergencies and help families restore their lives. We partner with communities to build and grow rural economies. We break the cycle of poverty, so families and communities can thrive.

Their goal is to help people build self-sufficiency and create new community-owned approaches to problem-solving that will last long after our projects end.

Chapel offerings: 4/2: \$61.31

4/9: \$93.01

4/15: \$91.24

FOR YOUR EYES ONLY

## 7th Graders

All interested 7th graders may apply to join the YoJack (Youth for Jackson County) for the 24/25 school year. YoJack's mission is to develop leadership skills and promote positive culture among youth. In YoJACK, students will learn to be successful by focusing on valuing diversity by completing a Real Colors assessment, which will give them awareness of their own personality style as well as those of their fellow students. They will also focus on team building, communication skills, peer relationships and habits such as giving and serving. We plan to develop a core group of youth leaders who can help create a positive atmosphere in their schools and communities. Admittance to the program involves attending five meetings at various Jackson County venues from 10 a.m.-2 p.m. next school year. Applications are available in the school office and need to be returned by Wed. May 8.

After a cold winter, we welcome the warmer temperatures. As the weather warms, it's also becoming shorts season. Please remember shorts should be mid-thigh length. Track shorts and running shorts are not designed as such. When in doubt, students are always welcome to ask his/her teacher before wearing shorts, if uncertain.

## 2024/25 Teacher requests

Teacher requests for 24/25 must be discussed with Dr. Behmlander. Because all of our teachers are excellent, please identify a specific reason for making a teacher request. If you have a request, it must be made by the last day of school. Please have all requests to Dr. Behmlander BEFORE the last day of school. Requests AFTER May 22 cannot be guaranteed.
