JESSICA BARKMAN SPORTS SCHOLARSHIP FOR MIDDLE SCHOOL AND HIGH SCHOOL AGED GIRLS

In November of 1997, Jessica Barkman was killed in an automobile accident in Texas. This scholarship was established to keep her memory alive. Jessica was a member of Immanuel Lutheran Church, a Girl Scout, a Girls Inc. member, a graduate of Indiana State University, a teacher and a Girls Inc. staff member. She was also a great athlete, winning the most valuable player award in volleyball, basketball and track during her senior year at Seymour High School. She attended Indiana State on a volleyball scholarship. Jessica will be remembered and admired for her outstanding talent and strong determination. Girls will always be able to look up to Jessica as an inspiration and great role model.

The purpose of this scholarship is to financially help young girls strengthen their athletic ability by attending sports camps, club ball, etc. Jessica received assistance to attend Hanover Basketball camp and she would have been honored to give other girls the opportunity that she had to experience sports camps. The scholarship will be based on financial need, athletic ability and a coach's recommendation.

Scholarship applications are available in the school office, due by April 1, and should be turned in to Girls Inc. of Jackson County, located at 956 N. O'Brien Street, Seymour.

Easter Is

WDRB – Saturday, March 23 at 7:30PM

WBKI – Sunday, March 24 at 12:30 PM

How do you draw Easter? In this animated special young Benji is chosen by his class to draw an Easter poster for a decorating contest. Benji knows that Easter is more than just colored eggs and cute rabbits, but what should he draw?

Benji's dog Waldo is kidnapped and they want a \$5.00 ransom!

Benji soon discovers how much he's willing to give up just to get his dog back, just as Jesus gave everything he had to get us back. Realizing the

true meaning of Easter, Benji now knows what to draw for his school poster.

3 Days

WHAS – Saturday, March 30 at 12:00PM

"I've seen him. He is alive!" Mary Magdalene's words sound the victorious ending to a three-day ordeal of sorrow and grief. From the first Good Friday to the first Easter, Jesus' disciples lived in tortured confusion. How could He have been the Messiah if mortal men could kill Him? What did all His promises mean? Could any one of them have prevented this horrible occurrence? If only they had possessed more courage, more loyalty.

Then, in the early light on Sunday morning, Jesus appears to Mary Magdalene and sends her back with joyous news: He lives and will be with us always!

"3 Days" is a dramatic representation of events that might have transpired among the disciples during a time that was the utmost test of their faith.

More than just another reenactment of the Resurrection, "3 Days" portrays the often told Easter story with a "you are there" feel. The clever script and skillful acting bring true human dimensions to the events from Good Friday to Easter morning.
