How can I purchase RaiseRight?

There are a number of ways you can purchase RaiseRight:

1. You may purchase gift cards in the school office. A limited supply of RaiseRight cards (fast movers and local businesses like Sonic, McDonald's, Walmart, Target, and Jimmy John's to name a few) are kept in stock and are sold on a first come, first serve basis in the school office.
2. Place an order using this form. More copies are found on the ILS website or at the school office. Orders submitted will be available in the office for pick up as soon as possible. We will call you when your order is in.
3. **Order online** using RaiseRight.com (code needed for creating RaiseRight.com account is **6E18L1A43L73**). This allows you to order local businesses as well as any company that our wholesaler stocks. Orders are paid with your bank account or debit/credit card.
4. RaiseRight and Reload Order electronic gift cards online and pay via your bank account (need to have an account set up with RaiseRight). Print your gift cards out at home & take them to the store and use. With Reload, you can add money to already purchased cards.
5. **RaiseRight App Purchase gift cards** and spend right from your mobile phone. You can order electronic gift cards, reload physical cards, and in many cases, redeem them right from your phone. Again you need an account set up through RaiseRight. Planning to purchase groceries? Order a gift card ahead of time and pay for it with the gift card! Benefits the school, and it's easier to stick to your budget!
6. For more information for use and set up go to: <https://www.raiseright.com/enroll>

** RaiseRight is limited to businesses available through our wholesaler only.

**Payment is by credit/debit card, cash, check, or your bank account. Credit/debit/bank accounts can be used on RaiseRight.com, but fees may apply.
